Product of Ecuador

**DID YOU KNOW**

*that our shrimp grow  
in a pristine environment  
free of pollutants?*

*Our product comes from an  
area of more than 20.000  
hectareas surrounded by natural  
parks and reserves located near  
the Equatorial Line.*

*Sustainability and Social Responsibility  
are the core of our values.*

**Equatorial** Seafood, LLC is a subsidiary company of **EDPACIF**, a globally recognized company with over 20 years of experience in the shrimp industry.

In **Equatorial** we strive to offer our clients the best products with the highest quality standards worldwide. Developing long term business relationships, meeting our clients demands based on trust, reliability and outstanding customer service are the core principles driving Equatorial seafood's daily operations.

## OUR COMMITMENT

### Quality and Food Safety

### Technology and Traceability

HATCHERY

FARMING

PROCESSING

EXPORTING

EDPACIF has been a pioneer in developing its own in-house **traceability** software for over 15 years. Paperless system, Block chain ready!.

- **Sustainable Farming and Environmentally Conscious:**  
No use of antibiotics across production chain, respecting the environment.
- **Social Responsibility:**  
We work hand in hand with local communities in order to improve the living standards through educational, health and social programs.
