Naturally Exceptional

At **Equatorial Products**, we've built our reputation on quality, trust, and consistency. Now, we're excited to expand our offering with a vibrant new line of premium fruits sourced straight from the heart of the tropics. Whether you're looking for **farm-fresh selections or ready-to-use frozen fruit**, our new range is crafted to meet the highest standards—bringing natural flavor, nutrition, and convenience to your business all year round.

Fresh From the Source

We partner with expert growers and select only the finest fruits each season—harvested at peak ripeness. From exotic dragon fruit and rich cacao to bright lemons and juicy passion fruit, our fresh fruit line brings the taste of the equator straight to your shelves.

Frozen with Purpose

After being freshly harvested and carefully prepared, our fruit is frozen at peak ripeness using **IQF (Individual Quick Freezing)** technology. This process locks in natural freshness, vibrant flavor, and essential nutrients—right at the source.

**It's a smart choice for foodservice providers,
manufacturers, and retailers looking for:**

Extended shelf life with minimal waste

Consistent quality all year round

Ready-to-use fruit for smoothies, desserts, sauces, and more

Simple logistics—easy to store, transport, and use

SUSTAINABLE & RELIABLE

At Equatorial Products, quality and sustainability go hand in hand. We uphold strict standards across our entire supply chain to ensure every fruit meets the highest levels of freshness, safety, and environmental care.

We offer multiple commercial formats to meet your needs:

- ° 20 kg Cylindrical Drums
- ° 5 kg Buckets
